Good Morning George,

This is to confirm that the request to install is approved.

To clarify here, all Decorative Lighting applications are processed by Mario and not through the typical banner approval system that you are accustomed to. I hope that this address your concerns.

Let me or Mario know if you have any further questions or need additional information and we will gladly provide to you.

Thank You..

Best Regards,

Asaad Y. Alnajjar, P.E.

Still do not understand how the system says not available but ok to install. We will get these installed as soon as possible

Have a great day

George

Hi Lorena,

I wasn't aware that Dekra Lite had an issue with BSL over the off-limits streets. Indeed these street are off-limits for BANNERS because there are string lights installed there. The online reservation system is ONLY FOR BANNER and holiday decorations (not connected to power) reservations.

Holiday lights permits, as you know, are processed separately from banners. Our records shows that the San Pedro Historic Waterfront BID holds a revocable permit for Holiday Lighting on the following streets:

W. 6th St. from Pacific Ave to S. Palo Verdes St.

W. 7th St. from Pacific Ave to S. Palo Verdes St.

Pacific Ave. from W. 7th St. to W. 14th St.

Please let me know if you have any other issues with these permits.

Regards,
